Sydney

Life In Sydney

Consisted of exploring landmarks, discovering beaches, beautiful coastal views and a some car spotting in between

Sydney

Classes

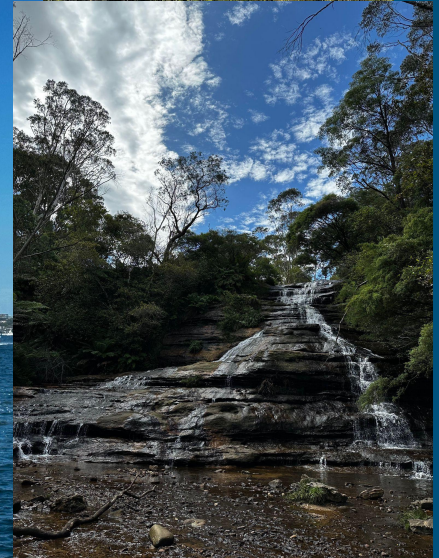

- Business Law
- Australian Life, Culture and Identity
- Financial Decision Modeling
- International Finance

Classes were taught by well-versed professors, who brought unique experiences to their fields and enjoyed learning about American culture as much as we did on Australian life

Sydney

Excursions

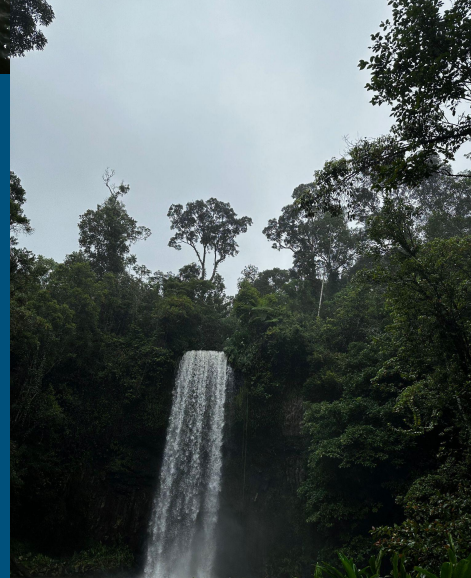

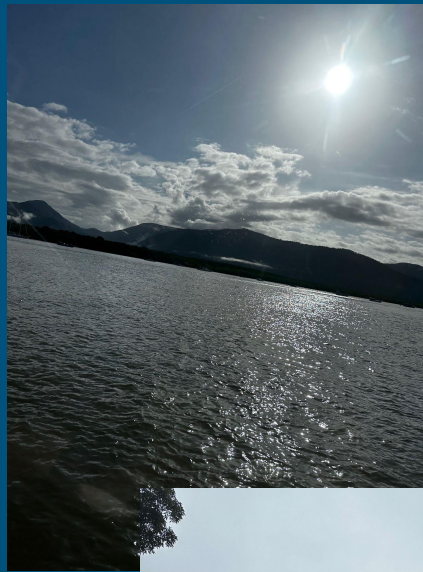

Destinations outside of Sydney included a day trip to the Blue Mountains National Park, a wildlife Sanctuary, and even a sailing regatta

Cairns

Spring Break

The week consisted of snorkeling in the Great Barrier Reef, a jungle excursion in the Atherton Tablelands, and a day trip to the famous Fitzroy Island

Singapore

Life in Singapore

Singapore is a truly stunning city, with beautiful architecture and lush greenery throughout the city. The food here was also amazing, so good that I was never able to take any photos.
